Dear Family,

We're beginning a new series of stories with the theme *Imagine . . . Seeing Jesus Do Great Things*. We'll be learning about Jesus' ministry on earth as he called Matthew to follow him, showed great compassion by healing 10 men with leprosy, raising a widow's son from death, and giving sight to a man who couldn't see, and was honored by Mary. Of course, we'll also be celebrating his birth with a story from Luke 2:1-20.

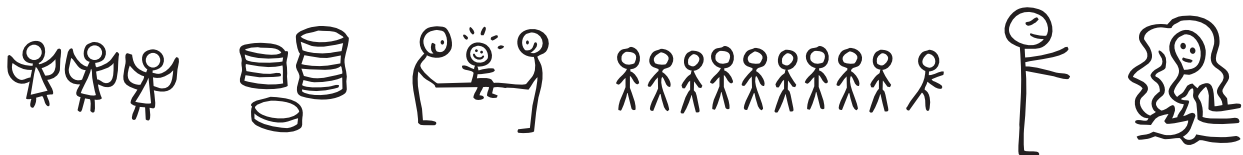

As always, each story we tell has its own story symbol. You'll find the story symbol in the top right corner of your child's Show and Share paper each week. Each symbol is also on a card in your God's Big Story cards so that you can continue the learning at home during family devotions. You can read the story from Scripture or use the version printed on your child's Show and Share paper.

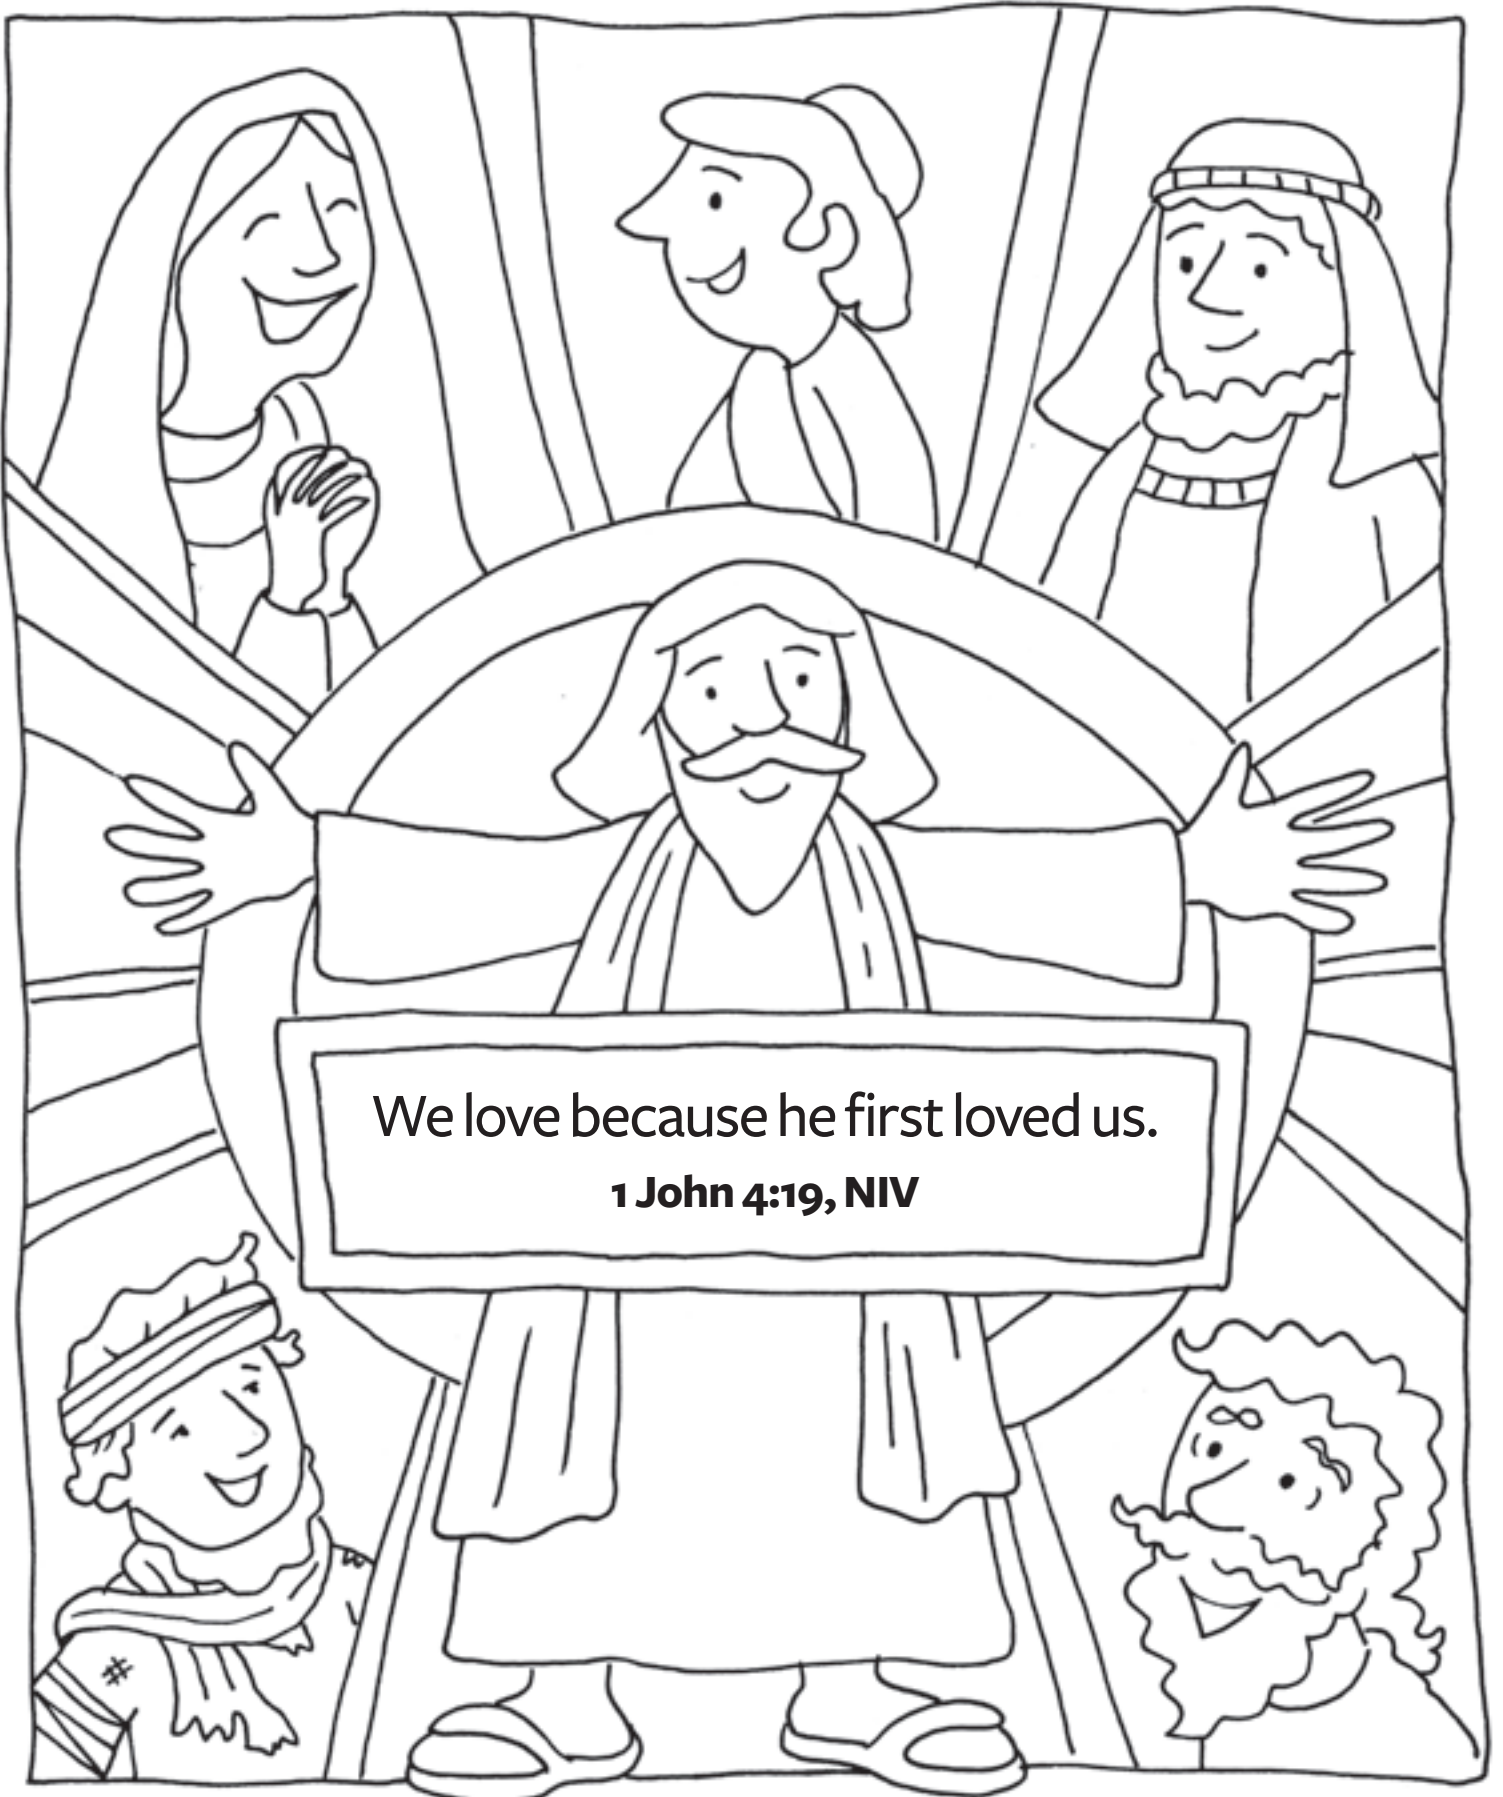

During this unit we'll also be learning a verse from 1 John 4:19 together. To help us remember the words we'll be singing it to a song called "Because He First Loved Us" and using some sign language. You can order the Dwell CD with this song (and all the other year 2 songs from this curriculum) at www.faihaliveresources.org or you can purchase and download individual songs from www.dwellcurriculum.org. Use the music to learn the song together and ask your child teach you the sign language!

Thanks for your continued prayers,

Sincerely

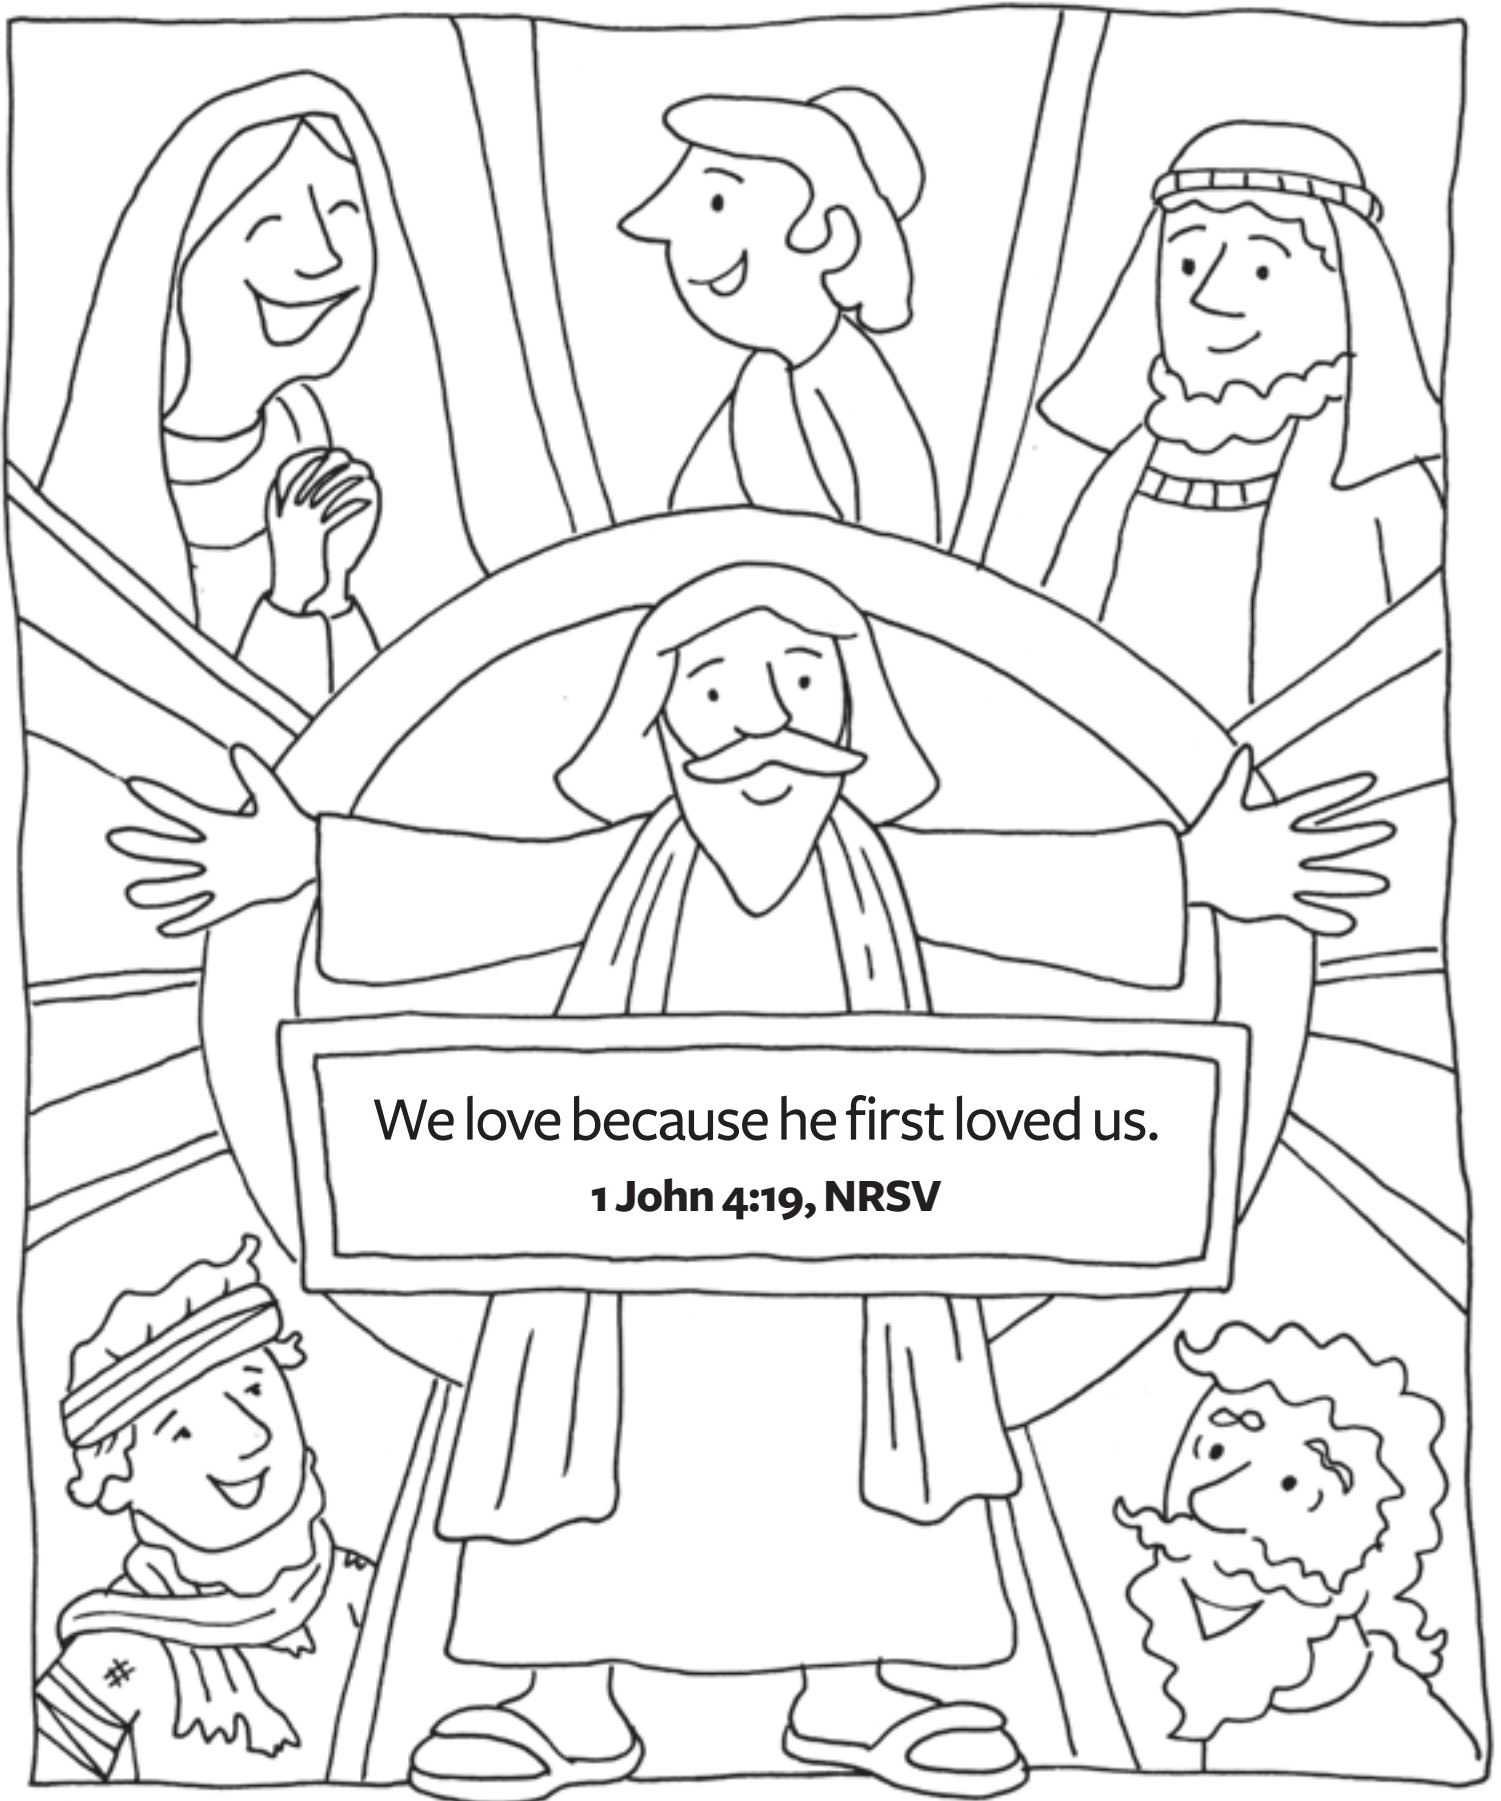

P.S. Did you know that we intentionally introduce the story of the day as "the next part of God's big story"? That's done to help your child begin to see Bible stories as the one, ongoing story of God. A story in which they have a place too!

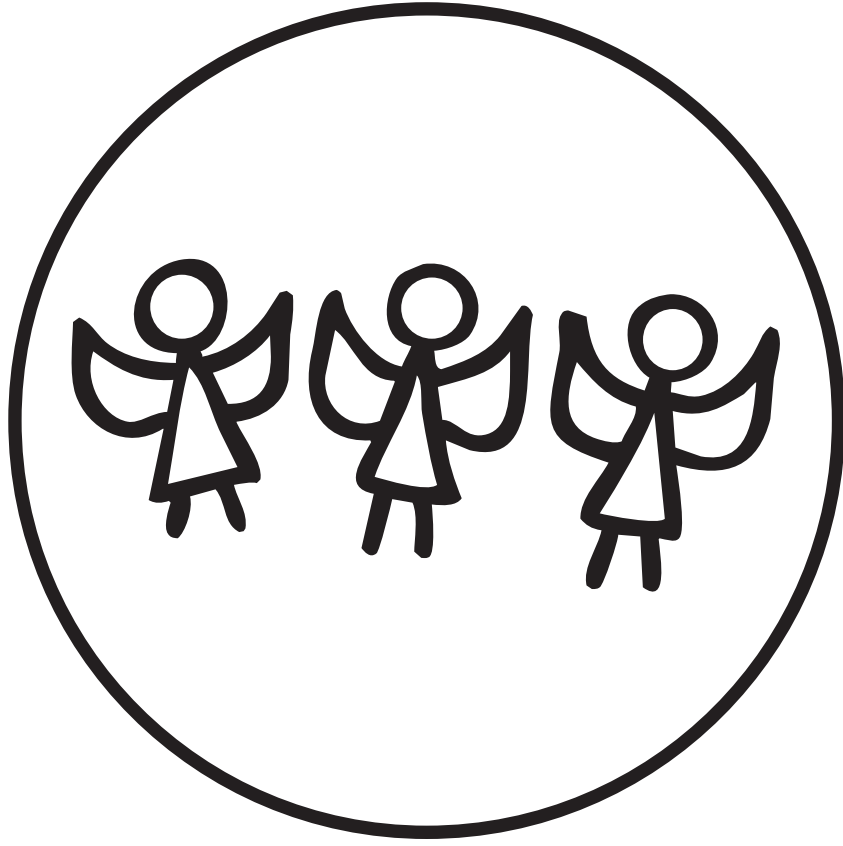

We love because he first loved us.

Note: If you have a double-sided printer, images will line up back-to-back, perfectly; if you don't have a double-sided printer, copy pages 60-61, cut out images, and glue matching figures back-to-back. You will need one set per child.
